Re: Proposed Annexation to the  
City of Hawthorne, Santa Fe  
Annexation

Dear Mr. Keel;

At the meeting held on May 15, 1957, the County Boundary Commission reviewed the boundary description and map submitted by your City Engineer's Office, with Shelley F. Jones letter of April 30, 1957, of the proposed annexation of territory to the City of Hawthorne.

Although the boundaries submitted do not create islands or corridors of unincorporated territory, and conform with lines of assessment as nearly as practicable, upon recommendation of the County Engineer slight revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code. Said revisions were in the wording of the boundary description and made no change in the location of the boundaries as shown on the map.

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description is enclosed for your use.

Very truly yours,

*Gordon T. Nesvig*

Attention Mr. G. T. Nesvig, Secretary

Dear Sir:

CITY OF HAWTHORNE  
"SANTA FE ANNEXATION"

In compliance with your request of May 1, we have reviewed the submitted legal description of the proposed boundaries of this annexation and report as follows:

1. The boundaries conform with existing lines of ownership, as shown on the County Assessor's records.
2. This proposed annexation will create an island of unincorporated territory bounded by the proposed annexation, a proposed annexation to the City of Manhattan Beach and the City of Hawthorne.
3. A strip of unincorporated territory, the northerly 20 feet of Compton Boulevard, will remain between the proposed southerly boundary and the City of Redondo Beach. The City Engineer of the City of Hawthorne was informed of the situation and declined to include the strip, because he believed it would create a problem in street maintenance.
4. Other boundaries are shown in relation to the proposed boundaries of this annexation on the enclosed map.
5. The legal description as submitted requires revision to provide definiteness and certainty in accordance with Section 35002 of the Government Code.
